

## OPERATORY & WAITING ROOM

### Side Chairs Series

Practical Seating With High-Quality Standards

Since 1947 Brewer Design has been a leading manufacturer of seating products for the demanding healthcare and dental markets. Brewer Design carries a full line of side chairs that are perfect for the operatory, waiting room and front office. Each chair offers comfort, reliability and durability. Contemporary styling and superior quality make these chairs an excellent value.

Available in cloth and vinyl, each chair is crafted to meet your performance, safety and durability needs. Plus, with this competitively priced seating line, your customer will not need to look anywhere else.
