

Brewer Design Announces Addition to its Executive Team

Brewer Design is pleased to announce the addition of **Mark Stecker** to its executive management team.

Stecker has been named Senior Director of Business Development for the OEM Division and brings an immense amount of industry experience to the Brewer team. Prior to joining Brewer, Stecker served as Director of Sales & Marketing at The Triad Group. Mark Stecker also spent time working with Medovations and Sunlite Plastics; sister companies in the Milwaukee area. Stecker holds a Bachelors Degree in Business Administration from St. Norbert College.

“Mark brings a long history of sales success to Brewer. He understands the needs of our OEM customers and the requirements of the healthcare marketplace”, **Paul Siepmann**, President of The Brewer Company, LLC stated. “His market insights will make us more effective in the markets we serve.”

Brewer Design has been a leading manufacturer of dental equipment and OEM seating for over sixty years. Based in Menomonee Falls, Wisconsin, Brewer Design’s complete product line includes ergonomic seating solutions for dental, optical and industrial markets with OEM capabilities that specialize in difficult applications requiring extensive design and intricate manufacturing.
